

Commencement Disability Services

The following services are available for those who need assistance getting to and from the Commencement site.

Reserved Parking

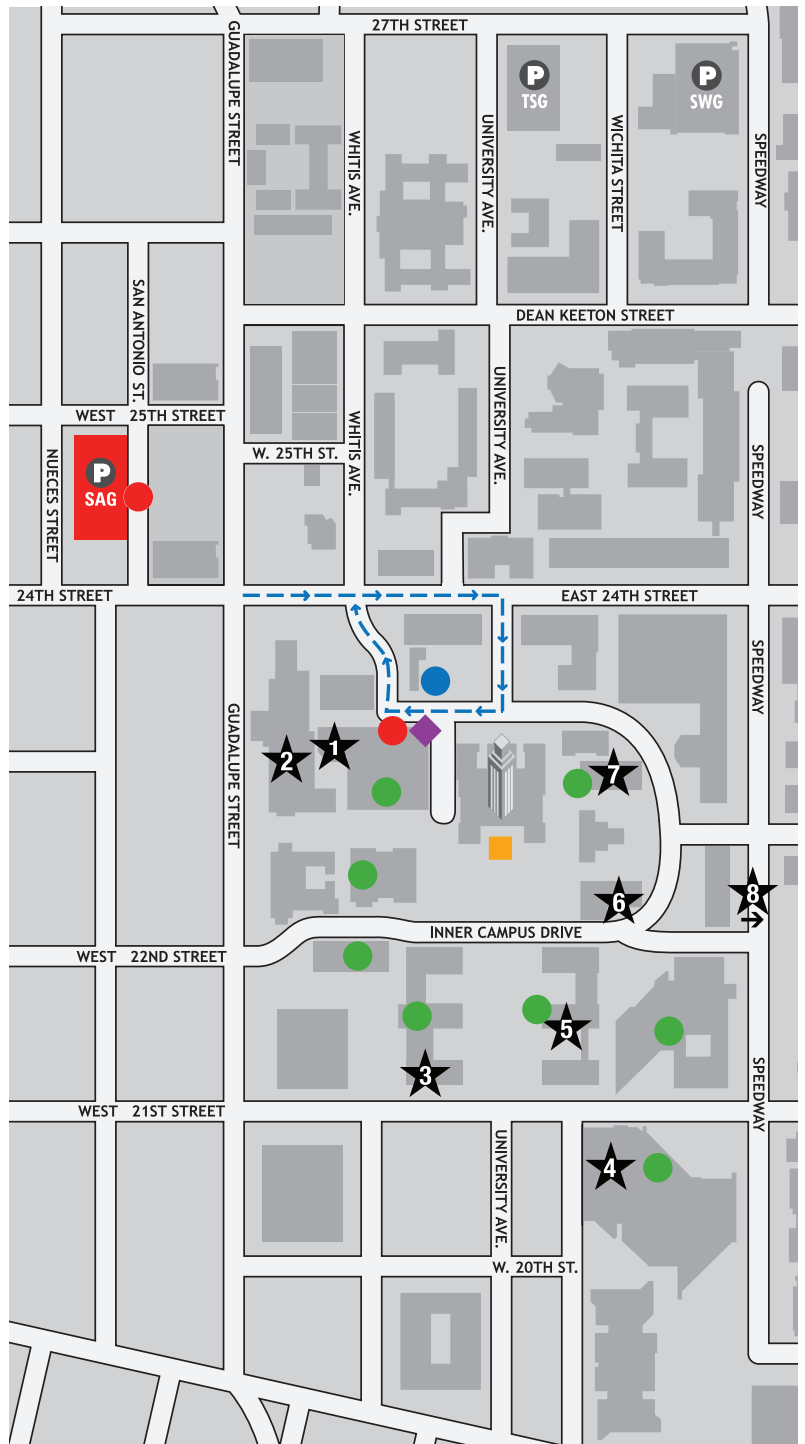

Reserved parking for persons with state-issued handicapped permits will be available in the **San Antonio Garage (SAG)** at 2420 San Antonio Street between 24th and 25th streets. Parking is also available in any handicapped space on campus that is not restricted due to Commencement.

Free Disability Services Shuttle

A free Disability Services Shuttle will transport guests with disabilities from the **San Antonio Garage** to the Disability Services drop-off location at the Tower. This service will begin at 5 p.m., and continue following the event until all guests have been assisted.

Disability Services Drop-Off Location

Guests and participants with mobility impairments may be dropped off near the Tower prior to the evening Commencement ceremony and picked up at that same location following the program. To access the drop-off location, enter campus on 24th Street from the west. At the corner of 24th Street and Inner Campus Drive, turn right toward the Tower and then another right toward the drop-off location. Once the passenger has been dropped off, the driver will need to immediately find regular parking in public parking spaces, such as the 27th Street Garage (TSG) or Speedway Garage (SWG).
